

Circular No: 28-2018 A

Tuesday, 4 September 2018

Dear Members,

Graphene Malaysia 2018

NanoMalaysia Berhad and Phantom Foundation of Spain will be organizing the 3rd year of Graphene Malaysia on 29th and 30th October 2018 at Ministry of International Trade and Industry (MITI), Kuala Lumpur, Malaysia.

Graphene Malaysia 2018, is a flagship event under **Malaysia's National Graphene Action Plan 2020**, is centred on interaction and collaborative innovation within the graphene-enhanced industry.

The conference features plenary sessions and thematic workshops (Graphene production / Applications of graphene and Funding & infrastructure support) and an exhibition showcasing the latest products, services, and technology in the graphene field that attract about 200-250 participant all over the world. Graphene Malaysia 2018 is open for industry leaders, small and medium entrepreneurs, start-up business owners, academicians, researchers, students and anyone in revolutionising innovations with graphene. Pioneers in the graphene world will be sharing their achievements and innovation roadmap and explore partnership opportunities and catalyse the collective desire to revolutionize Malaysia's local innovations with graphene.
