In conjunction with this mission, the Delegation of the European Union to Malaysia, supported by the EU Malaysia Chamber of Commerce and Industry (EUMCCI), is organizing **a conference and B2B matching on Circular Economy on 11th June 2019, at Double Tree by Hilton, Kuala Lumpur.**

You are cordially invited to this event. Though the event is free of charge, places are limited, so you are strongly advised to register early to avoid disappointment. To view the [programme agenda](#) and to register for the event [click here](#).

Highlights of the Conference are as follows:

- **B2B matching session – see attached list for the [European companies](#) that are keen to meet with Malaysian companies**

To participate in the B2B session, you may:

- **select the companies** that you wish to engage with for a B2B session, and revert back to **EUMCCI** with your selection **via email**.

Or

- **Select several sectors of interest** during the **online registration** process via the above link. Once you have completed the registration, the organiser will then schedule the B2B sessions with companies based on your selected sectors.
