There has been some new developments for companies that wish to participate as an exhibitor in TPLAS 2023. The organiser, Messe Dusseldorf Asia (MDA), has come-up with a more affordable exhibitor package which is as follows:

- Kiosk-style design. Each Kiosk is designed for two companies, back-to-back.
- MYR 8,000 per kiosk inclusive of the following:
 - 1 lockable counter with 2 bar stools.
 - 1 poster print (artwork to be provided by exhibitor).
 - Fascia board print with company name.
- Common area with discussion tables and chairs for exhibitors to use.

For companies to be grouped as a Pavilion under MPMA, MDA would require the participation of minimum eight (8) companies or four (4) kiosks. Click to view [Floor Layout](#).
