

CIRCULAR: 50/2019

21 August 2019

TO: ALL MEMBERS

Discontinuation of Cash and Cheque Payments for Scheduled Monthly Tax Deduction (PCB) at all LHDNM Counters

Kindly take note that the IRB will stop receiving manual CP39 forms, compact disks (CD), flash drives and diskettes from employers with effect from 1st September 2019.

For submission of employee PCB information beginning the month of August 2019 and subsequent months, employers may only use the e-PCB, e-Data PCB or e-CP39 through the ezHasil portal that is accessible at the IRB websites.

In addition, with effect from 1st Sept 2019, the IRB will also cease to accept PCB payments via cheque and cash at all IRB Payment Centres including payments through postal and courier services. On 1st March 2019, the IRB introduced the e-CP39 specifically for employers who are still manually submitting their employees' PCB information on a monthly basis.
