MITI INTRODUCES ALTERNATIVE WAY TO FACILITATE THE ENDORSEMENT OF CERTIFICATE OF ORIGIN FOR COMPANIES DURING THE MOVEMENT CONTROL ORDER (MCO)

Ministry of International Trade and Industry (MITI) announced that it will be introducing an alternative way for Malaysian companies to seek endorsement of the Certificate of Origin (CO) under the Free Trade Agreement (FTA) schemes (other than ASEAN Trade in Goods Agreement (ATIGA)) that will take effect from 30 March to 14 April 2020.

This came following the temporary closure of MITI Services Counter at Menara MITI as well as at its state offices during the Movement Control Order (MCO).

The measure is important to ensure all import and export activities with FTA partner countries and Generalised System of Preferences (GSP) donor countries can be continued.

CO Endorsement for other FTA and GSP schemes

In compliance with the MCO, the CO endorsement services will be done through back-office at Menara MITI and its State offices, except for MITI Malacca which will remain close.

Malaysian companies are advised to refer to the following process to seek endorsement of their CO:
