

CIRCULAR NO. 57/2020

DATE: 10 APRIL 2020

**3rd Port Clearing Exercise to be Carried Out from 13 to 15 April 2020**

We would like to inform that the third port clearing exercise will be carried out from next Monday, 13 April 2020 to Wednesday, 15 April 2020, in order to continue to ease congestions in ports nationwide in view of the latest extension of the Movement Control Order to 28 April 2020.

This third exercise will be based on the current standard operating procedures that had been communicated earlier to the relevant port operators and extended to ports at Port Klang, Johor, Penang, Kuantan, Melaka, Bintulu, and Padang Besar bordering Thailand. These SOPs have also been communicated to participating ports owned by their respective state governments

The Ministry will continue to monitor the congestion at the ports nationwide during the MCO and carry out additional port clearing exercises as necessary. The Ministry is in constant contact with the industry players including port operators, freight forwarders, hauliers and other companies involved in logistics and transportation to ensure the smooth operations of the entire sector.
