IMPLEMENTATION OF THE CONDITIONAL MOVEMENT CONTROL ORDER**

Reference is made to the [STATEMENT BY THE SARAWAK DISASTER MANAGEMENT COMMITTEE DATED 2 MAY 2020](#) & [MEDIA STATEMENT BY YAB CHIEF MINISTER OF SABAH DATED 3 MAY 2020](#).

The Sabah & Sarawak State Governments has decided not to implement the Conditional Movement Control Order (MCO) as announced on 1 May 2020, and instead to maintain the implementation of the MCO Phase 4 which will expire on 12 May 2020.

All directives announced under MCO Phases 1, 2 and 3 will REMAIN IN FORCE.

Sarawak will announce the reopening of the economic activities and other sectors in stages after studying in detail the SOP and guidelines. For companies in Sarawak that have received the approval to operate (under MCO Phase 4), they are required to get the State Government's approval through the Sarawak Disaster Management Committee for their applications to be reviewed before they are allowed to operate.

Thank you.
