

CIRCULAR NO: 158/2020

DATE: 7 OCTOBER 2020

**MITI'S CIMS 3.0 SYSTEM IS A REFERENCE POINT FOR PDRM IN STATES THAT ARE
IMPLEMENTING CMCO AND TEMCO**

Reference is made to the [MEDIA ANNOUNCEMENT BY THE MINISTRY OF INTERNATIONAL TRADE AND INDUSTRY \(MITI\)](#) dated 7 October 2020.

Subsequent to the announcement on the implementation of the Conditional Movement Control Order (CMCO)/Perintah Kawalan Bersyarat (PKPB) and the Targeted Enhanced Movement Control Order (TEMCO)/Perintah Kawalan Pergerakan Diperketatkan (PKPD) in a few locations throughout the country, the Ministry of International Trade and Industry (MITI) urges all companies to register their details on the COVID-19 Intelligent Management System (CIMS) 3.0.

The registration in CIMS will help facilitate the approval for companies in the affected areas from the Royal Malaysian Police/Polis Diraja Malaysia (PDRM) in respect of movement control.

MITI stresses that the purpose of registration with CIMS 3.0 is mainly to provide a source of reference to PDRM and doesn't qualify as an automatic approval for companies to operate. The approval for companies to operate is under the authority of PDRM.

Companies in the essential service sectors located in the CMCO/PKPB areas in Sabah are strongly encouraged to register with CIMS 3.0. Please refer to [MPMA Circular No. 156/2020](#) for the list of essential service sectors.

Registration can be made online at: <https://notification.miti.gov.my/login>

Companies that have previously registered with CIMS 1.0 or CIMS 2.0, are not required to register again.

For enquiries and technical issues relating to registration, please contact E: info@marii.my or the Twitter, Facebook and Instagram of MITI.

MITI would like to remind all companies to strictly adhere to the [Standard Operating Procedures \(SOP\)](#) to ensure the safety of their workers.

Yours sincerely,

ST GIAM

Executive Director
