

CIRCULAR NO. 50/2021

DATE: 14 APRIL 2021

REMINDER

NATIONAL COVID-19 IMMUNISATION PROGRAMME FOR THE ECONOMIC SECTOR – VACCINATION AT INDUSTRY LEVEL

Reference is made to [MPMA'S CIRCULAR NO. 44/2021 DATED 29 MARCH 2021](#).

MPMA noted that members' response towards the Immunisation Programme for the Economic Sector is not as encouraging as what we had anticipated, and in this regard, we have extended the deadline for information submission to **Friday, 23 April 2021**.

We wish to highlight that the Ministry of International Trade and Industry (MITI) is the coordinating body for the Covid-19 Immunisation Programme for the economic sector, and has agreed to the national public-private immunisation framework for vaccination role out for the economic sector targeted in June 2021.

There are several criteria for companies to qualify for the Immunisation Programme - which MITI is finalising. MPMA strongly encourages our member companies to participate in the Programme and have at least 80% of employees, both local and foreign, VOLUNTARILY register for immunisation through Mysejahtera or http://www.vaksincovid.gov.my/daftar_vaksin.html.

Companies are required to submit their company and employee details by completing and returning the attached **FORM** to Mr SC Chan of the MPMA Secretariat by the deadline stated above. The MPMA Secretariat will collate information from members and submit the forms to MITI.

We also take this opportunity to remind members to strictly comply with the given and relevant Standard Operating Procedures (SOPs) to continue business operations smoothly.

For further inquiry, please contact:
Mr SC Chan (scchan@mpma.org.my) or
Ms Su Ming (su.ming@mpma.org.my)

Thank you.

SUJATA ALBERT
Executive Director
